PONY Newsletter | March 7, 2025

Welcome Home!

Above: (1-3) Our 5th graders proudly presented the Stations of the Cross at Calvary Cemetery today as part of the weekly offering from the Archdiocese of Louisville. They prepared diligently and did a fantastic job! They also visited the Shrine of St. Martin of Tours beforehand. (4) Unexpectedly, Hall of Fame jockey Pat Day stopped by St. Patrick today and did a read-aloud with Kindergarten!

School Updates

We thank you for turning in your re-enrollment forms! Lent is officially underway and we hope you are tapping into the many resources available from our parish as we walk with Jesus this season. As always, thanks for reading the newsletter and engaging in our Catholic community!

Best in Show!

7th graders Joseph Alkhabbaz and Sawyer Kraft recently participated in RoboRumble, a regional robotics competition sponsored by the Kentucky Derby Festival Foundation. Yesterday we learned that they were awarded *Best in Show*, which is a new category this year.

The Best in Show award honors the school that best embodies the spirit of the competition through innovation, creativity, teamwork, and sportsmanship. Judges evaluated teams throughout the day, focusing on:

- Innovation & Creativity
- Teamwork & Spirit
- Problem-Solving & Adaptability

This award isn't about event placements — it's about celebrating the passion, ingenuity, and community spirit that make Robo Rumble special. Joseph and Sawyer had the competition buzzing with their robot and we are so proud of them and all their hard work!

The KDF Foundation will be visiting St. Pats soon to present the award as well as \$500 for our robotics program!

Family Learning Night - March 13th

Our next big community event may be our best yet! Please make plans to join us on Thursday, March 13th for Family Learning Night. You can arrive anytime between 5:30-7:30, and there are also some special presentations at specific times.

Get your passport stamped for fun prizes and rewards, including a Dress Down Day pass and gift cards! Visit read alouds, learn from math simulations and speakers on our expert Illustrative Math consultants, and check out the incredible learning happening across all grade levels. End your tour in the Celtic Center, where the **7th Grade Science Fair** will be on full display! Food trucks and giveaways will also be on hand. We hope to see you there and celebrate all things learning!

A Prayer for Catholic Schools

Almighty God,

You sent forth your Son as a beacon of hope for all people.
As a Teacher, He has given us the prime example of the importance of
education. As disciples, we look to him for inspiration and strength.
Thank you for the many people who have dedicated their lives in service to
our Catholic Schools.

Thank you for the teachers and administrators who sustain our schools.

Thank you for the parents who have given support and witness to the
importance of Catholic education.

Thank you for the students who work hard to further their education.

Bless all our Catholic Schools and the many people who advance our
mission.

May our schools be a home for those who seek to grow in openness, faith,
love, intellect and commitment to justice.

In your name, we pray. Amen. (*NCEA, 2022*)
