## School Updates

Sometimes you just have to stop and admire God's handiwork. To see so many working together to do His work is inspiring and humbling. We are very grateful for all that is being accomplished in our Catholic community! Look no further than the highlights of the Family Learning Night (pics below), the Patron Saint Prayer Service, the Stations of the Cross, and the Fish Fry and Shenanigans events this weekend. Keep up the great work!

Go Celtics!

### ***Congratulations to the 7th Grade and our Science Fair Award Winners!***

It was a job very well done by our 7th grade students as they spent a full day sharing their scientific findings with our community yesterday. Big thanks to Mr. Pat Riley, our volunteer judges, and our faculty and staff for working together to put on another successful event!

Pictured above: This year's winners were 1st Liam Haury, 2nd Lillian Conliffe, 3rd Mia Tucker. Honorable Mentions were Heidi Broderick, Emma Prather, Keegan Wohl, Landon Pfeifer, and Izzy Kyser!

## Family Learning Night Highlights

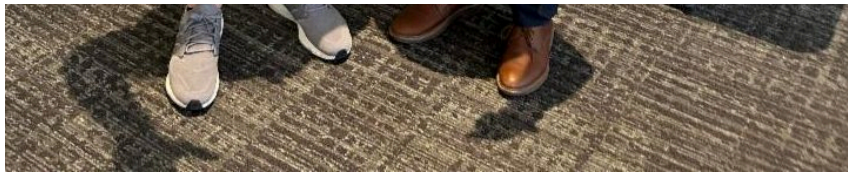

## A Prayer for Catholic Schools

Almighty God,  
You sent forth your Son as a beacon of hope for all people.  
As a Teacher, He has given us the prime example of the importance of  
education. As disciples, we look to him for inspiration and strength.

Thank you for the many people who have dedicated their lives in service to our Catholic Schools.

Thank you for the teachers and administrators who sustain our schools.

Thank you for the parents who have given support and witness to the importance of Catholic education.

Thank you for the students who work hard to further their education.

Bless all our Catholic Schools and the many people who advance our mission.

May our schools be a home for those who seek to grow in openness, faith, love, intellect and commitment to justice.

In your name, we pray. Amen. (*NCEA, 2022*)
