

Preschool After School Care Program

St. Patrick After School Care is provided for those families who need childcare beyond the school hours. This program is for the 3-5 year olds who are enrolled in the St. Patrick Preschool Program.

Your child will stay within the preschool classrooms between the hours of 2:15 - 6:00. They will continue their day of developing friendships while playing, painting, coloring, working puzzles, playing games, singing, and reading books. We want them to do what they do best, which is playing and having fun while growing.

The registration fee for the year is \$50 per child and the monthly fees are as follows:

1-3 days weekly: \$233 per month for one child

2nd child :additional \$114 per month

4-5 days weekly \$273 per month for one child

2nd child: additional \$152 per month

The holidays and any other days off are factored into the monthly fees. It is a flat monthly fee which is due on the first day of the month beginning in September going through May for a total of 9 months. Once you have registered a push pay link will be sent to you to pay the registration fee. Then in August another push pay link will be sent to you for your monthly payments. It is best that you set up your account for recurring payments at the first of each month from September through May. **THERE WILL NOT BE ANY MONTHLY BILLS GOING OUT TO FAMILIES.** We do check for payments and will notify you if any are missing but would really appreciate recurring payments to be set up so no one falls behind in payments.
